

# C&C Wood Fired Pies

our neapolitan pizza dough is made fresh every day using only four of the finest, all natural ingredients:  
imported italian Caputo 00 flour, fresh yeast, kosher salt & water

each dough is hand stretched to order 12"-14" and cut into 6 slices

the 900-degree oven cooks our pizza "well-done" and charred, burning only oak in the oven  
you will see and taste the difference

**sorry...NO substitutions or 1/2 's to the "house faves"**

you may however, add items to any of them for the additional cost or build your own pie as you like
